**Certified Coach, DSWA**

**Top Director, Mary Kay Cosmetics**

My mission is to empower and equip women to live their lives by design, not by default.

I specialize in mentoring women on how to leverage their values, priorities, gifts, and talents toward the life they want to live professionally, personally, relationally, and financially.

## WHO DO YOU KNOW THAT...

- Is in a job or situation where she feels stuck!
- Sacrifices precious time with her family and friends because she needs “the paycheck.”
- Comes home tired, frustrated, or stressed with little energy left for anything else.
- Imagines more, but doesn’t know how or where.
- Is boxed-in in a company structure that controls and limits her.

## WHAT I OFFER...

- ◆ The expertise to develop a business that magnifies her gifts and talents.
- ◆ Flexibility that mirrors her values and priorities.
- ◆ An opportunity to feel refreshed and rejuvenated from her work.
- ◆ The expertise & freedom to create options while maintaining her current job.
- ◆ The ability to have her own business and be the best “boss” she ever had.
